TOWN OF CARROLL
LETTER OF TRANSMITTAL

Board of Selectmen
Town of Carroll
Carroll, New Hampshire 03595

Gentlemen:

We have examined the books and records of the Town of Carroll, New Hampshire for the fiscal year ended December 31, 1975, and have prepared the attached exhibits and schedules in conformity with the recommended format prescribed by the Municipal Services Division of the State of New Hampshire.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Twin Mountain Library and Trustees of Trust Funds.

FINANCIAL INFORMATION

General Fund:

Comparative Balance Sheets: (Exhibit A-1)

Comparative balance sheets which disclose the financial condition of the general fund as of December 31, 1974 and December 31, 1975, are presented in Exhibit A-1. As indicated therein, the current surplus of the Town increased by \$10,145 in 1975, from \$88,189 at December 31, 1974 to \$98,334 at December 31, 1975.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of the factors which caused the change in financial condition of the Town during the fiscal year is contained in Exhibit A-2. These were as follows:

Increase in Current Surplus:

Net Budget Surplus (Exhibit A-4)	\$28,711
----------------------------------	----------

Decreases in Current Surplus:

Surplus Used to Reduce Tax Rate	\$14,781
Route 115 Water Improvements Overdraft	1,768
Various Prior Years Adjustments	<u>2,017</u>
	18,566

Net Increase in Current Surplus	\$10,145
--	-----------------

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations, estimated and actual revenues for the fiscal year ended December 31, 1975, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4) a net unexpended balance of appropriations of \$15,898 plus a revenue surplus of \$12,813, resulted in a net budget surplus of \$28,711 in 1975.

Long-Term Indebtedness:

Comparative Balance Sheets: (Exhibit A-5)

Comparative balance sheets disclosing the long-term indebtedness of the Town as of December 31, 1974 and December 31, 1975, are included in Exhibit A-5. As stated therein, the long-term debt of the Town increased by \$44,500 in 1975, from \$63,000 at December 31, 1974 to \$107,000 at December 31, 1975. Water Line Notes totaling \$49,000 were issued during the year, while indebtedness payments amounting to \$4,500 were made during the year.

Statement of Debt Service Requirements: (Exhibit A-6)

A statement showing annual debt service requirements of principal and interest is included in Exhibit A-6.

OTHER FUNDS AND OFFICIAL'S ACCOUNTS

The accompanying supplemental exhibits covering segregated funds and the accounts of those officials entrusted with the custody, receipt or expenditure of Town funds, are presented in accordance with the current requirements of the Municipal Services Division of the State of New Hampshire. Although not considered necessary for a fair presentation of the financial statements and results of operations, our examination of these accounts included the same tests and auditing procedures applied in the examination of the aforementioned financial statements. In our opinion, these exhibits are stated fairly in all material respects when considered in conjunction with the financial statements taken as a whole.

GENERAL COMMENTS

Revenue Sharing Funds:

Actual use reports for the fifth entitlement period and planned use reports for the sixth entitlement period were not filed on a timely basis with the Office of Revenue Sharing. As a result, entitlement payments due the Town were withheld. As of April 14, 1976, these reports had not been filed. The Town has until June 30, 1976 to file or risk losing funds which

it is entitled to. We recommend that these reports be filed on a timely basis so that the Town does not jeopardize losing any future entitlement payments.

Litigation:

The Town of Carroll is presently in litigation with Mount Washington Development Company and Institutional Investors Trust. In a technical sense, Mount Washington Development Company is involved in litigation. However, in beneficial interest, the adverse party is Institutional Investors Trust which is a mortgagee that is in possession of the former development company property.

The litigation involves the payment of real estate taxes on property located in the Town of Carroll. An appeal has been filed in Coos County Superior Court by the Trustees in Bankruptcy of the Development Company and Institutional Investors Trust requesting an abatement on 1974 and 1975 real estate taxes.

If the appeal should be favorable to the Trustees in Bankruptcy, it could mean a substantial loss of revenue to the Town.

As noted earlier, the Town has a current surplus of \$98,334 as of December 31, 1975. However, based on the foregoing information, it is recommended that the Town of Carroll not use any of its surplus to reduce the 1976 tax rate.

We extend our thanks to the officials and the office staff of the Town of Carroll for their assistance during the course of the audit.

Very truly yours,

PLODZIK AND SANDERSON
Accountants and Auditors

TOWN OF CARROLL

AUDITOR'S OPINION

We have examined and audited the accounts and records of the Town of Carroll, New Hampshire for the fiscal year ended December 31, 1975.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, subject to the general comments in the letter of transmittal regarding litigation between Mount Washington Development Company and Institutional Investors Trust versus the Town of Carroll, the accompanying balance sheets and statements of sources of revenues and expenditures, present fairly the financial position of the Town of Carroll, New Hampshire at December 31, 1975, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

PLODZIK AND SANDERSON

**STATE OF NEW HAMPSHIRE
DEPARTMENT OF REVENUE ADMINISTRATION**

Concord 03301

October 27, 1976

Selectmen of Carroll
Dorothy E. O'Brien, Chairman
P. O. Box 146
Twin Mountain, New Hampshire 03595

Gentlemen:

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1976 taxes on the basis of the following figures:

Net Assessed Valuation	\$12,230,115.00
Taxes Committed to Collector:	
Town Property Taxes Assessed	\$371,795.96
Total Gross Property Taxes	\$371,795.96
Less: Est. War Service Tax Credits	<u>4,700.00</u>
Net Property Tax Commitment*	\$367,095.96
Tax Rate	\$ 3.04

*The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriations.

The net amounts approved for school and county are as follows:

Net School Appropriations	\$185,649.12
County Tax Assessment	\$ 23,001.95

In arriving at the above approved rate the Overlay has been set in the amount of \$10,255.61.

Very truly yours,

LLOYD M. PRICE
Commissioner

	1975 Tax Rate	1976 Tax Rate
Municipal	\$1.45	\$1.34
County	.15	.19
School	<u>1.30</u>	<u>1.51</u>
	\$2.90	\$3.04

**TOWN WARRANT
TOWN OF CARROLL**

March 8, 1977

To the inhabitants of the Town of Carroll in the County of Coos and State of New Hampshire, qualified to vote in the Town Affairs:

You are hereby notified to meet at the Town Hall, Twin Mountain in said Town of Carroll, on Tuesday, the eighth day of March next at 7:30 P.M. to act on the following subjects. The Polls will be open for voting at 10 o'clock in the forenoon and shall not close before 6:00 o'clock in the afternoon.

1. Elect the necessary Town Officers.
2. To raise and appropriate such sums as may be necessary for:
 - a. Town Officers' Salaries \$ 6,640.00
 - b. Town Officers' Expenses 11,550.00
 - c. Election and Registration 411.00
 - d. Town Buildings 12,225.00
 - e. Retirement & Soc. Security & Employment Ins. 8,500.00
 - f. Contingency Fund 1,500.00
 - g. Revaluation 1,500.00
 - h. Police Department 25,950.00
 - i. Fire Department 8,673.50
 - j. Insurance 7,000.00
 - k. Planning and Zoning 1,300.00
 - l. Legal Expenses 16,253.48
 - m. Dog Costs 100.00
 - n. Civil Defense 100.00
 - o. Health Department 944.75
 - p. Department of Public Works 40,000.00
 - Incl: Highway Department
 - General Expense to Highway
 - Water Department
 - Town Dump
 - Cemeteries
 - Town Properties

q. Street Lighting		12,500.00
r. Libraries		400.00
s. Town Poor		2,000.00
t. Old Age Assistance		500.00
u. Memorial Day		150.00
v. Recreation		2,800.00
w. Airport		2,500.00
x. Principal Long Term Notes		9,400.00
y. Interest—Long Term Notes	\$ 6,400.00	
Short Term Notes	10,000.00	16,400.00
z. Payments to Capital Reserve:		
Bridge Fund		1,000.00
Fire Engine Fund		3,000.00
Town Hall Boiler Fund		1,000.00
Police Cruiser Fund		1,500.00
Highway Equipment Fund		2,000.00

3. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money in anticipation of the Collection of Taxes, and to issue in the name and on the behalf of the Town negotiable notes therefor.

4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by Tax Collector's Deeds or otherwise.

5. To see if the Town wishes to exclude from its Social Security plan services performed by election officials or election workers for each calendar quarter in which the remuneration paid for such services is less than \$50.00.

6. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of assisting Alpha House, so-called, a place where remedial activities are carried on relative to the health of the bodies and minds of the persons who go there for treatment.

(Article approved by Budget Committee)

7. To see if the Town will vote to raise and appropriate the sum of \$701.66 for Class IV and Class V Town Road Aid. (The Town's share to be \$105.25)

(Article approved by Budget Committee)

8. To see if the Town will vote to raise and appropriate the sum of \$496.00 as the Town's share for operation of the North Country Council for one year beginning July 1, 1977. These funds to be used for financing staff, office expenses, regional planning, technical assistance to member communities, and other programs of the

Council. These funds may be used in conjunction with State and Federal funds available for planning purposes.

(Article approved by Budget Committee)

9. To see if the Town will vote to raise and appropriate the sum of \$726.56 and authorize the Selectmen to pay said sum to the White Mountain Region Association for its program of advertising, etc., as part of the cooperative investment by regional Towns.

(Budget Committee's Recommendation of \$250.00 Appropriation)

10. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to be paid over to the Twin Mountain Chamber of Commerce for use in advertising.

(Budget Committee's Recommendation of \$1,500 appropriation)

11. To see if the Town will vote to raise and appropriate the sum of \$3,200.00 for the improvement of the Town Police Department, such appropriation to be made only if matching funds are obtained from State and Federal Agencies. (Town's Share \$170.00)

(Article approved by Budget Committee)

12. To see if the Town will vote to have the records of the Town audited by the Municipal Accounting Division of the Department of Revenue Administration or by a private auditing firm as the Selectmen may deem appropriate.

13. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the purchase of a new Tractor Lawn Mower plus the amount allowed for Trade In on the present mower.

(Article approved by Budget Committee)

14. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the purchase of additional folding chairs and tables for the Town Hall.

15. To see if the Town will vote to raise and appropriate the sum of \$700.00 for the purchase of a Citizen Band Communication System for the Department of Public Works Vehicles and a Base Unit to be located at the Town Hall.

16. To see if the Town will vote to authorize the Selectmen to receive and expend grants or loans which may be available from the State or Federal Government, or both, for any proper municipal purpose and to further authorize the Selectmen to continue their efforts to make and process all appropriate requests for such funds and assistance with proper administrative agencies of the State and Federal Governments.

17. To see if the Town will vote to raise and appropriate the sum of THIRTY-FOUR THOUSAND DOLLARS (\$34,000.00) for the purpose of road construction, work plan, clearing and fencing at the new dump site and for this purpose to authorize the Selectmen to borrow upon the note or notes of the Town a sum not in excess of THIRTY-FOUR THOUSAND DOLLARS (\$34,000.00) at such rate of interest

and payable at such time and place in accordance with Chapter 33 of New Hampshire Revised Statutes Annotated and any amendments thereto, "Municipal Finance Act," as the Selectmen shall deem appropriate.

18. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 to construct a building on the new dump site to house equipment.

19. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 21st day of February, 1977.

IRENE THOMPSON
Treasurer

LIBRARY REPORT

An invitation is extended to all townspeople to stop in and visit your library on election day. Once again we are proud to have on exhibition, local artistic talents.

We were indeed fortunate in being able to enlarge our growing historical collections by the addition of a variety of area pictures, acquired at the auction of the Crawford House contents. Also gratefully received at the same time, were donations by the Crawford House, of a cup and saucer, dinner plate, menu, and a printed history booklet.

Our librarian is quite pleased at the increased use of our research resources by the students. Over the years we have tried and are continually striving to provide an ever increasing supply of research material.

As usual, we are still fortunate in being able to secure the services of the bookmobile, which provides us with about 400 new books a year, on a quarterly base. The librarian is only too happy to assist you with special reading requests.

We have been extremely fortunate in receiving many donations of records and books from generous library-oriented townspeople. A special vote of thanks to Connie Bolender for helping out as auxiliary librarian.

Respectfully submitted,

CONNIE EVANS

SELECTMEN'S REPORT

I had hoped by the time this report was written we would have had a decision on the Court case with Institutional Investors Trust, or better known as the Mount Washington group. But to date no decision has been received.

As you know, the Town of Carroll was sued for a lower valuation on IIT's 1974 and 1975 tax assessment on their properties. The case on 1974 was first placed on the Courts Docket for last May at which time, IIT was given an extension of time. The court requested at that time that IIT make a token payment to the town of \$25,000.00 on their taxes, which they did. At the same time, the Court in giving the postponement, told both sides to be prepared to try the case for both 1974 and 1975 at the same time.

In August your Selectmen went to Exeter to the Hillsboro Court House, where the case was to be tried. After two and a half days, another postponement was given at the request of IIT and at that time the Judge appointed a Master to sit in on the case, this time to be held in Laconia. A date was set in September, but because of another IIT postponement, we did not get to Court until October. Because of the seriousness of the case, we felt it necessary to retain an additional law firm to work with Attorney Paul Donavon of Hinkley and Donavon, our town attorneys. The law firm we hired was Upton, Sanders & Smith, of Concord, N.H. With the exception of one afternoon session, your Selectmen were in the court room for two and a half weeks. Many expenses were incurred because of this, and witnesses and professional services to support our case. This is why there was an over expenditure in legal services this year and the request for 1977 appropriation is greatly increased over our normal appropriation. As soon as we receive a decision we will hold a Public Meeting, so that you will be brought up to date and we will all know where we stand and what our next step will be—win or lose.

One of the greatest additions to our community is the Emergency Van. Nothing but praise can be given to the people who operate and man this service. Many hours of their own personal time was given in the training necessary to become an EMT plus the many hours they spend in reviewing their training and caring for the Van itself. Many of us sleep much better at night knowing that this service is available. Remember this is not an ambulance. It is here to give you emergency medical treatment, and to transport the patient to either the Littleton or Lancaster Hospital.

Clinton Simmons was hired this year for our second full time Policeman. It is because of the efforts of our Police Department under Chief John Harney, that we had a 50% decrease in accidents. Their continued efforts with the use of Radar to slow down the speedsters on our highways is a contributing factor in this decrease. For many months the Police Department with the backing of the Selectmen worked out recommendations to the State Highway Department to improve the now dangerous conditions at the Intersection of Routes #3 and #302. So far we have been able to get the top railing on the fence removed for better visibility and stop lights are to be installed the early part of this summer.

Our appreciation goes to the other Town Officers, along with the various Committee and Board Members that give of their time so that your Town can grow and function. The cooperation and conscientious effort on their part has made this a year of continued growth and awareness of our Town's needs.

There isn't anyone who enters our town building that doesn't remark about its condition and cleanliness. All the credit goes to Irene Thompson and Gay Jordan; and our special thanks to Gay for taking on the extra load when Irene was unable to continue her janitor duties.

We finally are purchasing land for the new Town Dump. Negotiations on land for a right of way for the entrance road is just about completed. The property is adjacent to the Roxmere property off Route #3. There is 100 acres more or less and an engineered working plan will be done this Spring for the best use of this land for the land fill dump. This plan is a State requirement before the land is used for a public dump. If all goes well, it will be ready for this summer. The State has told us our site on the Lennon Road is only approved until July 1, 1977.

We ran into some unforeseeable problems with the reservoir on Cherry Mountain with the by-pass and chlorine. The State did not approve of the equipment that was being used, because of going from a two inch water main to a six inch water line. We had no choice but to make changes. Mr. Jean desChatelets, a resident of Carroll and an engineer in Municipal Water Supplies met with us several times and after an on-site survey, advised us on the most economical way to meet State requirements. A special thanks to him for his time and assistance.

Mr. Allen "Bud" Woods is our new Road Agent and overseer of the Department of Public Works. He is assisted by Peter Wright and we have one federally funded helper, Steve Dexter. We were fortunate this year to have obtained a Dodge pickup truck from Government Surplus Equipment for the use of the Department. We hope to receive other tools and equipment through this same program at no cost.

We were sorry to have lost Virginia Ohlson as the Selectmen's Secretary, who returned to the Whitefield Bank on a full time basis. We were fortunate to have had Dorothy "Peanut" Brownell to step in to help us out while we were in Court and to assist in the office during the Tax Rate time and the end of year reports, necessary for the Town Report and Budget preparation.

We the Selectmen are greatly concerned about the growing cost to the town for the School District. We have no control over this expenditure and feel that you, the citizen, are not taking the interest or the effort to get to the Schools Annual Meeting. More of your tax dollar goes to the school than to the running of your Town. Contact your school board members, Mrs. Lillian Edelmann or Mrs. Marilyn Garneau, for more information.

With the help of the local Snowmobile Club and Department of Off Highway Vehicles, we see a great improvement on the regulating of snowmobiles in Carroll this year. Not all the problems are solved, but with everyone working together, and with good communications, I feel in time the problems existing can be worked out.

You will see new Water Rates this year. Right now we are working on a more equitable system of charges that will assist us in off setting the maintenance and operating cost of this department.

Remember, April 15th is the deadline for all applications for the Elderly, Blind, and Current Use Exemptions. These applications will be available at the Selectmen's office around the end of March and must be filed for each year. A notice will be placed in the Courier Newspaper when the forms are available which we receive from the State. If you have any questions regarding your eligibility for these exemptions, please contact the Selectmen's Office.

The Bicentennial Bandstand was a great addition to our community. Visitors to our town and local citizens certainly enjoyed the scenic vista from it and the Band Concert was a great success. It certainly serves as an attractive Information Booth for the Chamber of Commerce.

Dogs are still a growing problem in town and we remind citizens that the State Law regarding dogs is being enforced. Remember, if you love them, leash them. Keep them home on your own property.

Under the National Flood Plain Program, all citizens must apply for a building permit application for new construction or substantial improvement to their property. This was voted in at last year's town meeting. Also, a permit is needed from the Selectmen to connect onto Town Water together with a layout of water line and a Permit is also necessary for new driveways onto a town road.

We feel it is the obligation of every property owner on Town Water to know where their shut off is located in case of freeze ups and water problems. The town is making up a map of their location, but because of the recent change over in personnel, there is a problem in locating these shut offs. You, the water user are responsible from the shut off to your home and the town is responsible for the main lines to the shut off. This year we will have to charge for the time involved in shutting off and turning water on--no more blanket \$2.50 rates. Again, we ask that when you request to have your water service turned off or on that it be done during the regular working hours of the department which are 7:00 AM to 3:30 PM, Monday through Friday. If it is necessary at any other time or day, overtime charges will be added, and we do expect at least a forty-eight hour notice.

If you do have a problem or a question, the Selectmen meet every Monday evening at 7:00 PM to 9:00 PM, and the office is open every day from 10:00 AM to 3:30 PM. We can only take care of the problems we know about and it is hoped that you will call the office and if the problem can not be handled from there, then call a Selectman at home, but remember, our wives and husbands can only take a message if we are not available. Just leave your name and telephone number and we will return your call.

In closing, "Special Thanks" to our better halves. We couldn't put the time and effort into the job if they weren't willing to take over at home for us and to put up with all our meetings and interruptions of our private lives.

The Town is facing other expenditures in the future. A dumping station for Septic Waste. By state law, we are required to have one. You will have to pay more to have your septic tank cleaned out now as the waste must be taken to Littleton Sewerage Treatment Plant and their charge is added to your regular charge for having it done.

We also know that in the future, larger reservoirs will be needed for our water supply, and that an engineering study is necessary for our present and future water needs. But in trying to keep the tax rate down, we try to do as much as we can afford to do each year.

Respectfully submitted,

DOROTHY O'BRIEN, Chairman
Carroll Board of Selectmen

POLICE DEPARTMENT

I submit to you a summary of activities and future plans of the Carroll Police Department.

The department has been in existence for approximately four years and the growth rate I feel has been excellent. The taxpayers of the community have provided the department with an adequate amount of funds and equipment to make it function at a level not only equal to, but above the standards required of most small departments throughout the state. The funds have provided the manpower to give the community the coverage I feel is necessary to deter the crime rate within the area. This year 1977 will see two more officers attend a sixteen week course in police training. This will give the department three certified police officers and two specials that will be able to assist and fill in at any time required. These officers will also be backup men during the period of high summer tourist influx. It is absolutely essential that any officer, whether he be permanent or special, have a basic education in police procedures to ably and effectively do the job that will be required of him in the best interest of the Town of Carroll which he will be representing. The full time men have during the past years and will during the ensuing year attend a number of courses provided by the N.H. Police Training and Standards Council.

The equipment provided by the community, assisted by both the Highway Safety Agency and The Governors Commission on Crime & Delinquency has certainly been of a great benefit to the department. Items such as lights, electronic sirens, radios and the MR 7 Radar have certainly helped reduce the accident rate and to make people aware of the enforcement methods that make this reduction possible. The accident rates within the community dropped in excess of fifty percent the past year. This can only be attributed to the extensive use of the radar, to reduce one of the biggest contributors to accidents, speed. Another very important factor is the exposure of the cruiser. It is a proven fact that extensive exposure of a cruiser reduces both the accident and crime rate in any community.

We had one very unfortunate fatal accident this year just after the department submitted to the Selectmen and the N.H. Highway Department a list of recommendations we felt were essential at the intersection of Route 3 and 302. Through the co-operation of both parties some very definite improvements have been made and the installation of traffic signals should be forthcoming this spring. There is some question if signals are the complete answer to the problem but the department feels that signals will certainly help control the traffic and reduce the potential accident rate at this very dangerous intersection. The removal of the upper fence rail on the Route 302 side east bound has certainly improved the visibility entering the intersection. This department feels that when all the improvements have been completed this situation will certainly improve.

In closing this report I would like to communicate to each and every citizen of the town of Carroll that this is your Police Department and if any citizen has any constructive criticism or suggestion to help improve the police services to the community, I as Chief, and I am sure all the officers certainly want you to feel free to come into the office and sit down and discuss any and all problems with us and get to know your Police Department and become familiar with our methods, equipment and policies.

Respectfully submitted,

Chief of Police

ACTIVITIES FOR 1976

Motor Vehicle Accidents

- 14 Motor vehicle accidents with property damage or injury.
- 1 Fatal Motor Vehicle accident.

Motor Vehicle Violations

- 202 Speeding
- 14 Solid Line
- 27 Stop Sign
- 14 Operating Under the Influence

- 2 Malicious Damage
- 26 Theft
- 11 Misc. medical assist, hit and run, gunshots, attempted larceny, intoxication, disorderly conduct, criminal threatening, possession of stolen property, derivative words.

THE FIRE CHIEF REPORT FOR 1976

The year 1976 brought about quite a few changes for our Fire Department. Activity of extinguishing fires decreased to the amount of 10, including 5 chimney fires, and one smoke investigation. We participated in a Mutual Aid training session of pumping with large diameter hose, and one fire we hauled water with Engine #2, a tanker.

Fire Prevention and the like, has played a great part in the reduction of fires, and continued practice of Fire Prevention is a must. All new installations of oil burners must be inspected and installed according to codes and State laws of New Hampshire. Wood and/or solid fuel burning installations should have a great deal of care and maintenance. They demand a very watchful eye and close observation. Chimneys must be periodically cleaned and checked for condition.

Fire Alarm Systems, or individual units such as smoke and or heat detectors are a very good means of an early warning of a fire in a home or a business. Many lives are saved every year from an early alarm of smoke while people are sleeping. Serious consideration should be given to these units by all people of Town, especially those who are heating by other means than Automatic heating equipment.

Guidelines set up for installation of wood and/or solid fuel burning equipment are available from your Fire Department or the manufacturer of the particular unit you are installing.

The Emergency Van responded to 70 calls from January 1976 thru January 1977. The service has been working very well, and the people have been supporting the effort and backing it very well.

We now have 10 trained personnel and anticipate training more this year.

We wish to thank the Twin Mountain Discussion Group for donating a Recusci-Annie, a training aid necessary for the instruction of CPR and breathing. We hope to have classes to train interested persons on this subject.

Thank you very much for your support and kind consideration.

Respectfully submitted,

G. L. WHITCOMB
Fire Chief

NORTH COUNTRY HOME HEALTH AGENCY, INC.

1976 Report

North Country Home Health Agency provides the following services to the participating towns:

Skilled Nursing Care for: care of the chronically ill; short term care following hospitalization, or acute care in place of hospitalization; visits to newborns and mothers; diet and nutrition teaching; prevention, intervention and control of disease.

Homemaker/Home Health Aide services: maintenance of a patient in his own environment as long as possible through assistance with personal care; ancillary nursing procedures; assistance with meal preparation and light housekeeping.

Physical Therapy services by a Registered Physical Therapist to homebound patients.

Public Health activities aimed at prevention of disease.

During 1976 these services were provided through:

6545 Skilled Nursing Care visits—a 30% increase

3285 Home Health Aide Visits

2667 hours of Homemaker service—a 25% increase in these two categories

31 Physical Therapy visits—an increase from 4 in 1975

Public Health activities included:

15 immunization clinics for pre-school children

9 well-child clinics providing physical exams for pre-school children of low income families. Follow-ups are made by this office.

6 dental screening clinics for pre-school children, with follow-ups and referrals done by this office.

4 orthopedic clinics held at Littleton Hospital for all area residents under 18.

1 expectant parents course.

1 diabetic teaching course in cooperation with other organizations

6 "Swine" flu vaccination clinics for all adults in the 15 towns served, as mandated by the State.

This Agency is approved by Medicare and the New Hampshire Department of Public Health as a certified provider of Home Care services. The Board of Directors is composed of volunteer members representing the towns served. It is a non-profit agency and all monies received are returned in direct services to the residents of the 15 towns.

Services Rendered to the Town of Carroll

93 Skilled Nursing Visits; 128 Home Health Aide visits; 447 hours of Homemaker service; 2 Health Promotion/Assessment visits. Residents of Carroll may attend any of the clinics held in any location.

WHITE MOUNTAIN COMMUNITY SERVICES, Inc.

Board of Selectmen
Town of Carroll
c/o Town Clerk's Office
Carroll, New Hampshire 03595

Gentlemen:

White Mountain Community Services wishes to request \$617.50 be appropriated at the 1977 Town Meeting. This represents \$1.25 per capita of population based on 1975 State census statistics.

Demands for our services in your schools, hospitals, and for psychiatric emergencies have increased markedly in the area we serve. Hopefully we will be able to continue to provide these vital, and at times, life-saving services.

White Mountain Community Services continues to provide direct services to area hospitals. Reports to us from the medical and hospital staff of the area acknowledge the help this effort on our part has been to them. We are continuing to consult with school personnel and provide follow-up counselling care. We continue to service people directly so as to prevent admissions to the New Hampshire Hospital from your area. In this respect area residents are involved in our day treatment program which provides structured group activities in the local community, as well as outpatient counselling. Both of these services are provided at substantial savings compared to the cost of State Hospital care.

In conclusion, we are grateful to you and your townspeople for their support in the past. We realize no single town among the towns we serve can financially bear the quality and level of mental health services needed and available to all of our citizens through White Mountain Community Services. However, if each town is willing to vote its full share to help defray these costs, then all of our citizens benefit. We need your help and hope you will speak and act in favor of our request.

Sincerely,

MILTON T. BRATZ
Executive Director

Breakdown of Cost of WMCS Services Benefiting Residents of Carroll

School Consultation Hours—32, Whitefield Elementary School, WMRHS; Cost \$3,808.44

Scheduled Hospital Consultation—Weeks Memorial Hospital—68; Cost \$23,039.76

Total Cost of Delivery of Services to Residents—\$26,848.20

NORTH COUNTRY COUNCIL, Inc.

The Council provided technical assistance to the town on solid waste, flood insurance, and information on a Comprehensive Plan, the Local Public Works Act, and general planning information.

The Council met with local officials on four occasions.

On a regional level, North Country Council, Inc. completed the Overall Economic Development Program, a blueprint for increasing the region's economic potential. The Council assisted several communities in making progress with the development of their Industrial Parks, projects which will benefit residents of adjacent communities. With the passage of the Local Public Works Act of 1976, the Council provided some form of technical assistance to 25 potential grant applicants. A wood utilization project is investigating how forest products, the region's most important natural resource, can be used more advantageously to the region's benefit. Word was received in late 1976 that the Federal Highway Administration approved the Public Transportation Demonstration project.

On a community planning level, in addition to local technical services, the Council prepared a report entitled "Model Subdivision Regulations" as a guide for local planning boards. A series of four lectures on planning board activities was sponsored in the spring; the Council co-sponsored a series of five municipal law lectures in September and October. Both were well attended. "Guidelines for Municipal Tax Mapping" provides communities with information on what to look for when preparing a tax map.

Planning News, the Council's quarterly newsletter, disseminates useful information on community planning, economic development, state legislation, court decisions, and general activities to interested persons in town. A town resident can be placed on the mailing list by contacting the town's NCC representative or the Council office in Franconia, N.H., at 823-8108.

In helping communities with their planning, the Council attends approximately 200 night meetings a year.

In 1977, the Council will continue to provide community planning services to member municipalities. The Council will complete work on a Land Use Program and Housing Program in 1977. Efforts to help communities with economic development will continue. The Council's Economic Development Committee will be investigating the probable impact of the lessening of energy supplies for the North Country and how the Council can assist through the community and regional planning process.

The Council sincerely appreciates and thanks the town for its support and participation. The support and participation of the town has enabled the Council to provide an impressive package of local and regional services.

Respectfully submitted,

LILLIAN EDELMANN
CARL R. CARLSON
NCC Representatives

**SUMMARY PROGRAM OF THE
WHITE MOUNTAINS REGION ASSOCIATION
1976 (39th Year)**

Your Region Association during the past year has committed much of its energy and time in helping to design an air passenger/freight system for northern New Hampshire, which, given the constraints of available funds, would have the best chance for long term success. The WMRA, together with the N.H. Aeronautics Commission, the N.H. Office of Comprehensive Planning, the New England Regional Commission, the Lebanon Airport Development Corporation, and the N.H. Transportation Authority, revised the program substantially from that which was implemented during the summer of 1975. The major change was a shifting of focus of the air system from Lebanon, N.H. to Boston's Logan International Airport. The reasons for the change were: 1) a questionnaire distributed to businesses, and informal discussions with numerous residents of the region, confirmed a prevailing opinion that people preferred to fly to Boston, 2) to fly directly to Boston would increase reliability, improve service, and create passenger satisfaction. Other changes included the integration of the Berlin Municipal Airport in addition to the Whitefield Regional Airport, and enlistment of travel agents to handle all reservations, ticketing and information. Also a reservations only system was implemented in an effort to minimize "empty flights" which occurred under the initial fixed scheduled system.

The response to the new air system which began June 13, 1976 has been encouraging. There is no doubt that the program changes have markedly increased public acceptance, but the question remains whether the region can or is willing to support a year-round air service, or whether such service, at best, will be limited to the summer and fall seasons only.

Also, your Association put together and published 40,000 *Where to Stay* folders and, in addition, put together the White Mountains section of the state accommodations directory. The Association distributed thousands of its *Where to Stay*, its *White Mountains Map and Guide*, its *Canoeing and Kayaking* folder, and its *Fall Foliage* brochure to chambers of commerce, to state highway rest areas, and to automobile clubs and travel agents throughout the United States and Canada.

Furthermore, your Association is putting together a new cross country/nordic ski brochure, 30,000 of which will be printed and distributed during the fall and winter of 1976. Other brochures the Association distributed in reply to inquiries were those of Ski 93, the White Mountains

Attraction Association, the White Mountains Center for the Arts, and the Mt. Washington Valley Association. The Association also distributed individual business and town brochures upon request.

Other activities of the Region Association/executive director during the past fiscal year included: 1) weekly surveys during the summer months of hotels-inns and motels to determine "how business was doing." These surveys were conducted in conjunction with the State Office of Vacation Travel to assist that office in its advertising and promotional campaign, 2) conducted two major membership drives, 3) sponsored a "White Mountains Region Day" at the White Mountain Center to which former WMRA presidents were invited, 4) met with selectmen in many communities to outline WMRA activities and to inform them on how best the WMRA could assist them, 5) conducted an annual solicitation of hotels-motels and inns and campgrounds regarding listings in the state and region directories, 6) attended numerous meetings of the White Mountains Center for the Arts for which the WMRA contributes the minutes of each meeting, 7) attended several meetings with Council of Region Associations, 8) participated (shared expense) in a program with the White Mountains Attractions Association at the Mt. Washington Hotel for members of the American Society of Travel Writers (twenty-one members of the Society visited the region, many of whom have written entertaining stories about the region and its activities), 9) sent out appropriation requests to forty-six communities of the region, 10) attended two Governor's conferences on tourism, sponsored by the N.H. Travel Council, 11) prepared to revise the *Canoeing and Kayaking* folder and the *Fall Foliage* folders, 12) preliminary preparation for black fly conference, to be held on Jan. 30-Feb. 2, 1977 at the Balsam's Hotel, 13) spoke on radio and to Rotary Clubs about WMRA activities, 14) contributed \$200 each to the following communities in the interest of local projects: Carroll, Sugar Hill and Franconia, (Please note other communities that have faithfully supported the WMRA over the years will also receive such funding when projects become identified), 15) also contributed to the Bedeli Bridge restoration project \$100; the Mt. Washington Observatory, \$25, and the White Mountains Museum of Forest History, \$50, 16) assisted the State Office of Vacation Travel in putting together a tennis information brochure for the region.

The Association answered 3,539 single inquiries, 241 bulk inquiries, wrote 167 personal letters, sent 51 bulletins of lodging and real estate inquiries, sent 15,178 mimeographed letters, and wrote 14 news releases.

We, as members of the Chamber of Commerce and fellow taxpayers, are requesting the continued support of the townspeople to assist us in promoting our town. The participation of everyone is needed to keep Twin Mt. as the center of the White Mts. many attractions.

Tourism brings into N.H. a minimum of four hundred twenty two million dollars (\$422,000,000) per year, of this 94.7 million or 24.3% of all public revenue goes directly to state and local governments.

This, of course, helps to hold down our property taxes. It must also be noted that tourism is responsible for 37% of the payroll in this area.

Respectfully submitted,

CARL R. CARLSON
President 1977
Chamber of Commerce

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

SUMMARY OF THE MINUTES OF TOWN MEETING

Town of Carroll

March 2, 1976

Polls were opened at 10:00 A.M. by the Moderator reading the warrant in full. Article 1, to elect the necessary Town Officers, was taken up first. There were 351 voters on the checklist, 223 votes were cast throughout the day. The Moderator, Wayne Holden, declared the polls closed at 6:00 P.M., and the counting of the ballots began.

At 7:30 P.M. the Moderator called the business meeting to order. The Pledge of Allegiance was said, and Mr. Holden introduced himself and gave the reason for his being Moderator. Mr. Farrington was unable to moderate the meeting because of illness. Mr. Holden had been appointed to fill the vacancy. A warning against unruliness was given.

ARTICLE 1—To elect the necessary Town Officers (see page 4, Town Officers, 1976).

ARTICLE 2—To raise and appropriate the sum of \$171,563.75 for the operation of Town Affairs.

a. Town Officers' Salaries	\$ 5,820.00	\$ 5,820.00
b. Town Officers' Expenses	10,600.00	10,600.00
c. Election and Registration	2,200.00	2,200.00
d. Town Buildings	10,750.00	

AMENDED TO: 13,548.00

e. Retirement and Social Security	8,500.00	8,500.00
f. Contingency Fund	1,500.00	1,500.00
g. Revaluation	1,500.00	1,500.00
h. Police Department	25,165.00	25,165.00
i. Fire Department	1.00	

AMENDED TO: 8,526.97

j. Insurance	6,700.00	6,700.00
k. Planning and Zoning	1,100.00	1,100.00
l. Legal Expense and Dog Costs	1,600.00	1,600.00
m. Civil Defense	200.00	200.00
n. Health Department	944.75	944.75
o. Dept. of Public Works	39,200.00	39,200.00
